

**ADDITION TO THE AGENDA
FOR THE CITY COUNCIL MEETING OF
FEBRUARY 10, 2004**

The following is added to the City Council Agenda of Tuesday, February 10, 2004 at 9:00 a.m.:

REGULAR AGENDA

1. Discussion and action on my request to withdraw the recall petition against City Rep. Paul Escobar which was submitted to the City Clerk's Office without my authorization on January 26, 2004. Again, I ask the petition be withdrawn because it was submitted without my authority and no one was given authority to act on my behalf. I hereby state that Hector Daly, the person who attested to the petition, was in no way involved in either taking signatures or witnessing the taking of signatures. Should my request to have the recall petition withdrawn be denied, I ask this City Council to refer this matter to the appropriate Legislative Committee before further action is taken in this matter.
[Robert Barragan]
2. Presentation by Golden Gloves Tourney on results and belated thank you.
[Jake Martinez and Jerry Wright]
3. Discussion and action on why constituents can't place banners/advertising on walls or fences promoting businesses if permission has been granted by owners of those walls or fences. The City allows politicians; why not regular citizens? [Blanca Pena]
4. Discussion on the City's position on the Court of Inquiry that was just commenced to investigate corruption and a possible cover-up of a rape at the El Paso Police Department. [Theresa Caballero]
5. **DISCUSSION AND ACTION – MAYOR & COUNCIL:**
 - 5A. Resolution that the El Paso City Council supports binational cooperation to call attention to the problems and encourages work towards binational solutions, including recognition of human rights. [Representative Vivian Rojas, (915) 541-4108]
 - 5B. Discussion and action on funding of a Discovery Lab for the TACE program in the amount of \$20,000. The TACE program is a partnership between EPCC, Workforce Board, Chamber of Commerce and the City of El Paso designed to provide job training and employment opportunities for the disabled population in the El Paso County.
